

## 125 State Street Soil Remediation

### Capital Fund

#### Project Description

Soil remediation of this Agency-owned vacant lot adjacent to the Railroad Depot. The Agency has signed a non-binding Memorandum of Understanding (MOU) with the Children's Museum of Santa Barbara for a possible long term lease at this location. Soil sampling and testing has been conducted and a Remedial Action Plan (RAP) has been developed. Remediation work is anticipated for the first quarter of 2010.
